SUMMER ACADEMY

SILVIA CHIESA

30 July - 1 August 2026, Tuscania (VT)
Chamber Music Lab

An Immersive Chamber Music Experience
An intensive laboratory dedicated to chamber music, designed for young musicians who wish to experience ensemble performance at a high artistic level, working directly toward public concerts.
Course Structure The program is structured as a performance-oriented laboratory, including rehearsal sessions focused on the preparation of concert programs.
The course is open to soloists and chamber ensembles with cello and is part of the Minus One – Chamber Music Lab.
Participants will work in ensemble settings, developing repertoire to be presented in the final concerts.
A minimum number of participants (4 students) is required for course activation.
Training Focus The laboratory focuses on chamber music practice, with particular attention to ensemble coordination, listening skills, musical interaction and interpretative coherence. The emphasis is on real performance experience, guiding participants through the full process from rehearsal to concert.
Final Concert and Certification All active participants participants will perform in the Minus One final concerts, scheduled for the evenings of July 30 and August 1, and will receive an official diploma of attendance.
Admission Criteria Selection is based on curriculum evaluation and available places.
